

Where Two Worlds Touch

An Outsider's Memoir in England

After the fairy tale of Happily Ever After ends in heartbreak, *what then?* From award-winning author River Faire comes an inspiring account of second chances, healing, inexplicable magic, and following the soul's compass.

River, an alternative healer and Paris-trained chef—a decidedly reluctant mystic—returns to England from America to help his ex-partner, back from the brink of death. Stepping into a London life he left behind, haunted by ghosts, he finds himself on an unanticipated journey of the heart. When the two men relocate to the English countryside, he discovers more than a charming pastoral landscape, he unexpectedly glimpses the fabric of life itself.

With disarming honesty and a searching, lyrical voice, *Where Two Worlds Touch* is a transcendent narrative about navigating the intricacies of the human heart, no matter whom we love. An invitation to say yes to uncertainty and vulnerability, to trust the unknowable mystery, while seeking the place we belong and what is uniquely ours to bring. A genre-defying memoir—one part love story, one part celebration of the table, one part ode to nature, and one part soul guide—woven as an indelible offering that lingers long past the final page.

About the Author

River Faire is an author, a body-centered therapist, and a Paris-trained chef-turned-holistic-wellness coach. Formerly known as L.R. Heartsong, his writing has won two Nautilus Book Awards; one for Personal Transformation & Self-Help (2019), and one for Memoir & Personal Journey (2023).
